Health

During the entire time of the camp a medical team is available for medical care. Minor injuries or illnesses will be treated by a first-aid of the outpost. More serious injuries or illnesses will be treated at the central medical service tent or referred to a local hospital. Please bring a proof of your health care insurance with you. The insurance needs to provide coverage for repatriation home in severe cases.

Allergies

Food intolerances

Health restrictions and conditions

Last tetanus vaccination (date)

Regular medications

I / we agree that health care specialists are allowed to provide urgent medical treatment to my child if necessary.

Privacy Policy and camp rules

The personal data as well as the health data are exclusively used for the preparation and implementation of the Eurocamp 2020. The personal data will not be handed on to a third party.

During the Eurocamp we are taking pictures and videos of groups (more than four persons) we use for the advertisement of Royal Rangers Europe. If you disagree please write to info@royalrangerseurocamp.net. This material will not be used anymore and removed, if possible.

You / or your child will follow the camp rules.

Signature of participant

Date
